

# Chapter |

Turn your best moments in  
memorable stories.

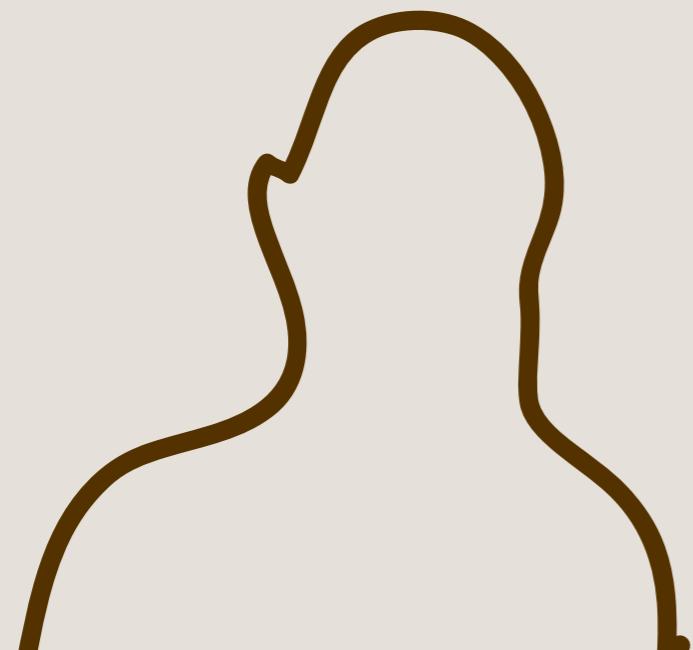

Capture all points of view by collaborating with  
your friends. Share your story with the world.

## Problem

How to see all your friends' points of view from your trip and combine them in one seamless story.

Peter send me  
photos from  
the trip

How?  
Skype, email?

## Solution

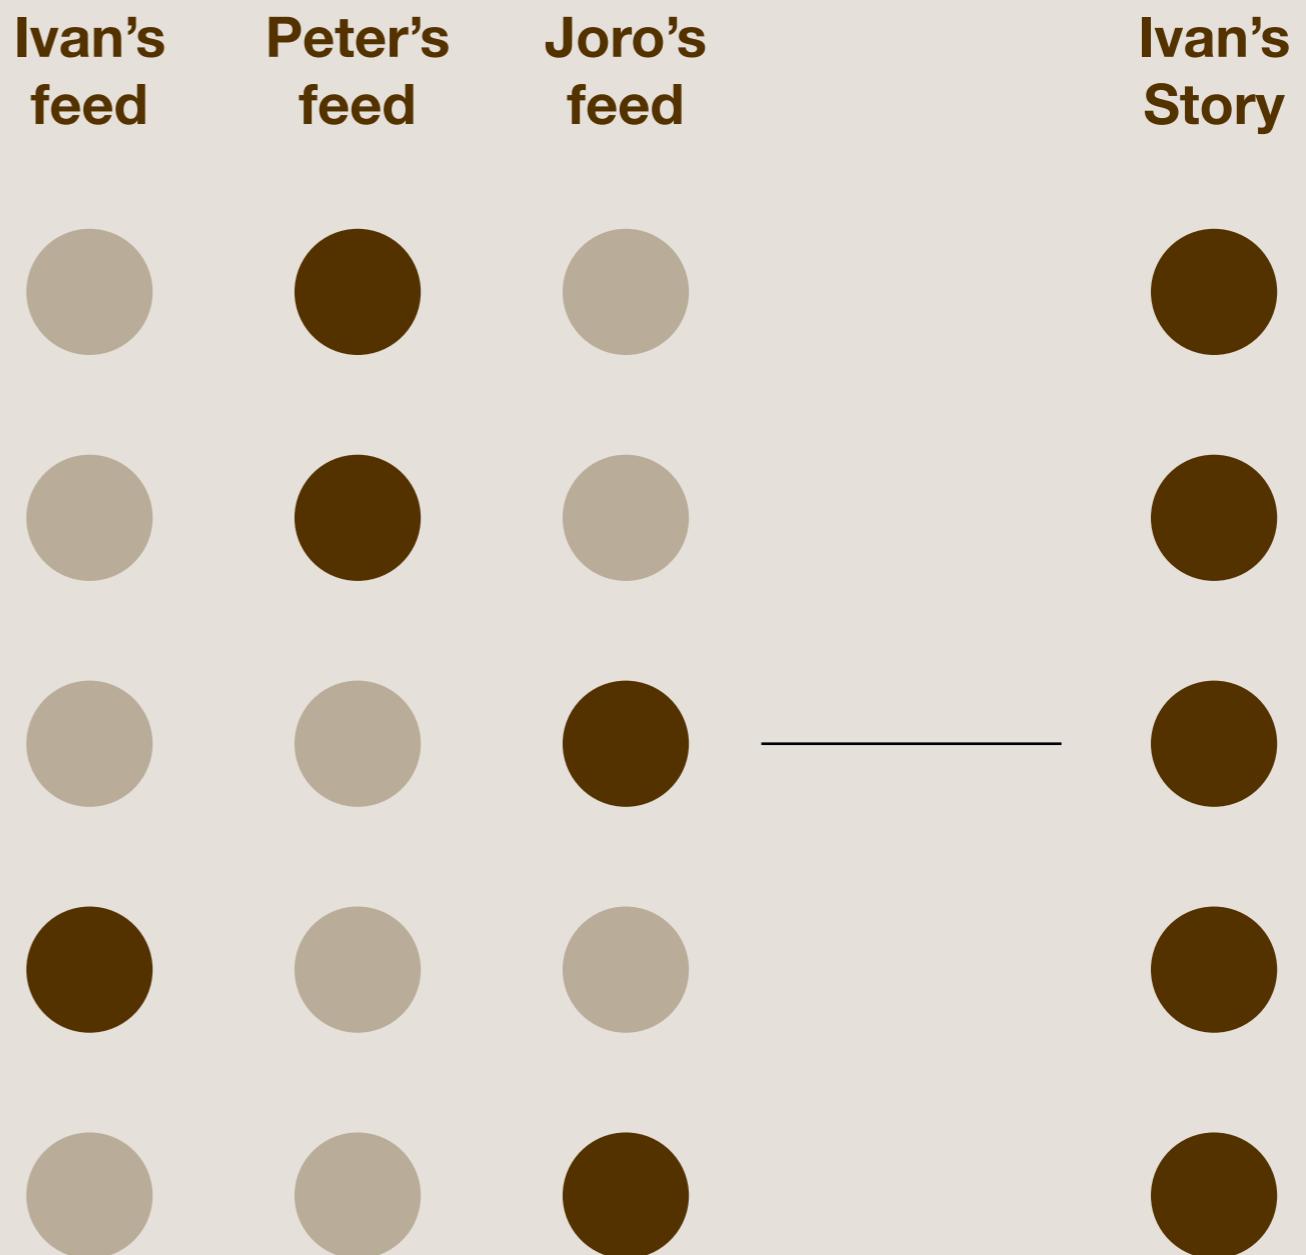

# Create a story together!

Invite your friends to collaborate with you and upload photo, video and text in one place. Edit and refine to create memorable stories.

## How it works

Chapter orders all the content in a chronological order making it easy to catch the flow of the story and connect the pieces.

Photos, media, text...

# Chapter |

## Result

All participants receive a memorable story of their experience for which they have personally contributed, allowing them to see all the different points of view.

## Applications

The applications of the app are literally endless

Trips

Events

Brand stories

Thank you!
